

## M450 Series Fluorescent Light Fixture

The M450 Series is designed for bulkhead mounted use. It is constructed from marine grade aluminum with an acrylic diffuser.

**Housing** Extruded aluminum housing with die cast ends. Available with a single receptacle and lighted switch.

**Reflector** Specular aluminum.

**Lamp** Available in a variety of lamp lengths, all secured by locking bi-pin lamp holders.

**Lens** Extruded one piece impact resistant white linear prismatic acrylic lens.

**Finish** White, powder coat polyester with phosphate pretreatment to ensure superior adhesion.

**Ballast** Standard 120 Volt, class P ballast. Consult factory for other options.
