

**intent**

The CRNM series is designed for general purpose lighting in high abuse environments.

**mounting**

Mounts recessed in ceilings via universal mounting brackets.

**housing**

Made from 18 gauge sheet steel die formed to shape with seams welded and ground smooth.

**door**

Outfitted with adjustable, heavy gauge lens retainers.

**finish**

Polyester powder coated after phosphate pretreatment for superior adhesion and corrosion resistance. Brushed stainless steel is also available.

**hardware**

Recessed, stainless steel, temper-proof screws provide luminaire access.

**wiring**

All electrical components are reflector mounted for easy wiring and maintenance.

**certifications**

Available with dry, damp, or wet location UL listing.
