**intent**

The SRW series is designed for step lighting in high abuse environments. It resists damage from physical shock and vibration.

mounting

Mounts recessed in steps or walls.

light source

Supplied with a 12 in. 8 W T5 bipin fluorescent lamp.

lens

Acrylic or polycarbonate lens held captive between housing and door.

housing and door

Made from cast aluminum.

finish

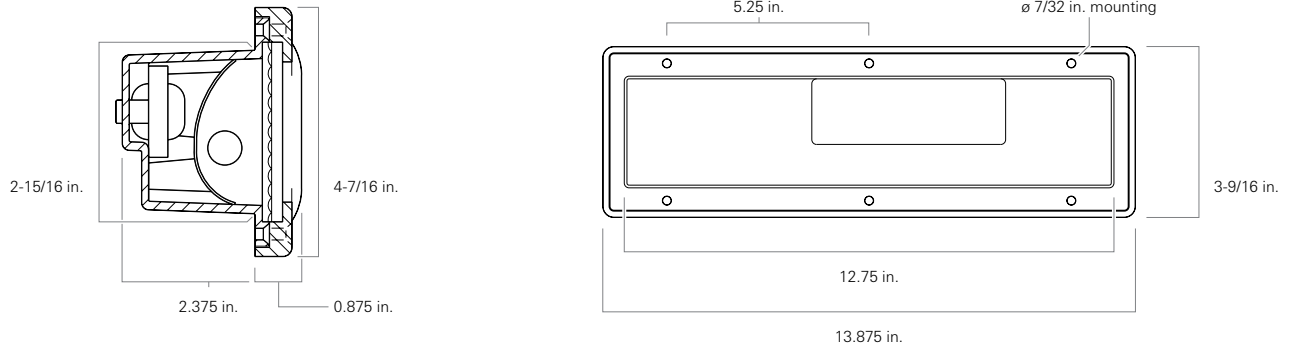

Polyester powder coated after phosphate treatment for superior adhesion and corrosion resistance. Brushed stainless steel is also available.

hardware

Recessed, stainless steel, tamper-proof screws provide luminaire access.

certifications

Available with dry, damp, or wet location UL listing.

- one door finish**
