

## M208 Series

### Low Profile Luminaire

The M208 Series is designed for commercial marine and wet location surface mount ceiling applications. The design is drip-proof and easy to install and service. It's constructed from marine grade aluminum with a prismatic polycarbonate lens.

**Housing** One piece, low profile aluminum housing with a liquid tight cord grip.

**Lens** One piece 5/32" prismatic polycarbonate lens.

**Lamps** Two T8 fluorescent lamps with lamp-locks.

**Finish** White, powder coat polyester, inside and out, phosphate pretreated to ensure superior adhesion and corrosion resistance.

**Ballast** Standard universal 120-277 VAC, 50/60 Hz, electronic ballast. Consult factory for other options.
