

M2SW

Marine Surface / Wall Mount Ceiling

PRODUCT SPECIFICATION

Surface Lighting M2SW Series

The M2SW Series is designed for surface or wall mounted use and is constructed from glass reinforced polyester with an acrylic diffuser.

Mounting

Surface mounts to ceilings via stainless steel or white polyester powder coat steel mounting feet.

Lens

One-piece impact-resistant clear textured acrylic seated against a seamless, poured-in-place gasket.

Lens Retention

Quick release clamping rails make for easy, tool-less access to lamps and electrical components.

Housing

One piece high-impact white glass-reinforced polyester fire-resistant material. Housing features a factory-installed cable access stuffing tube.

Ballast

Standard universal 120-277 VAC, 50/60 Hz, electronic ballast. Contact factory for other options.

Weight

2 ft fixture - 6 lbs (4.5 kg)
4 ft fixture - 10 lbs (2.7 kg)

Certifications

IP 65 rated. USCG ABS approved.
UL 1598A marine listed. Outside salt water.

Applications

- High moisture areas
- Work stations
- Passageways
- Oil platforms
- Processing plants
- Engine rooms
